ABOUT BOTHELL DECA

At Bothell High School, DECA is more than just a club.

DECA provides great opportunities to explore careers in business, marketing, and more, through friendly competition. The skills that we get from competing in DECA conferences can be applied to almost every field, and it is an important skill to develop in life. DECA teaches how to present yourself, how to be confident in front of professionals, how to communicate effectively, and so many more valuable skills.

DECA has also provided extensive support for seniors looking for scholarships for college, and has allowed us to form so many connections with potential careers and opportunities to pursue.

At Bothell High School, members must be enrolled in a marketing course to participate in DECA, in a co-curricular format. Our DECA executive board meets on Wednesdays and Fridays after school to help plan chapter activities and the rest of the DECA year.

SCHOOL OUTREACH ACTIVITIES

BHS DECA & CLUB SPIRIT WEEK

In order to bring the experience of DECA and other clubs to the rest of the student body, we partnered with ASB to create a spirit week:

Monday: ModelUN (wear navy blue)

Tuesday: TSA Tuesday (wear red)

Wednesday: FBLA Wednesday (wear blue & yellow)

Thursday: C4C Thursday (wear purple)

Friday: DECA Friday! (wear blue)

BHS DECA INSTAGRAM

Our BHS DECA Instagram links our DECA chapter to Bothell High School students and other groups on campus. We wanted to increase our reach this year, so we followed trends on social media and promote information in a fun way to increase our engagement! The pictures below show the increase in our engagement and this was a great way to involve our school community.

BHS CLUB FAIR

Every school year kicks off with Bothell High School's Club Fair, a fantastic opportunity for students to explore different clubs. Our DECA Chapter participates in this and encourages students to consider joining DECA.

COMMUNITY OUTREACH ACTIVITIES

Northshore DECA Night

Our Bothell DECA chapter paired up with Woodinville and Inglemoor DECA chapters to host a fun night where DECA members could socialize and study for the tests together. We hosted a mock competition, jeopardy, and provided food and drinks for everyone there. This was hosted on the Nov. 19th and around 150 people came to the event!

Toy Drive with Salvation Army

In our annual collaboration with the Salvation Army, Bothell High School DECA host a November Toy Drive to spread holiday joy to the less fortunate. We reach out to the Bothell community, encouraging participation in this heartwarming initiative through the morning announcements and video bulletins. The Toy Drive serves as a meaningful way for students to contribute, fostering community spirit and generosity during the festive season!

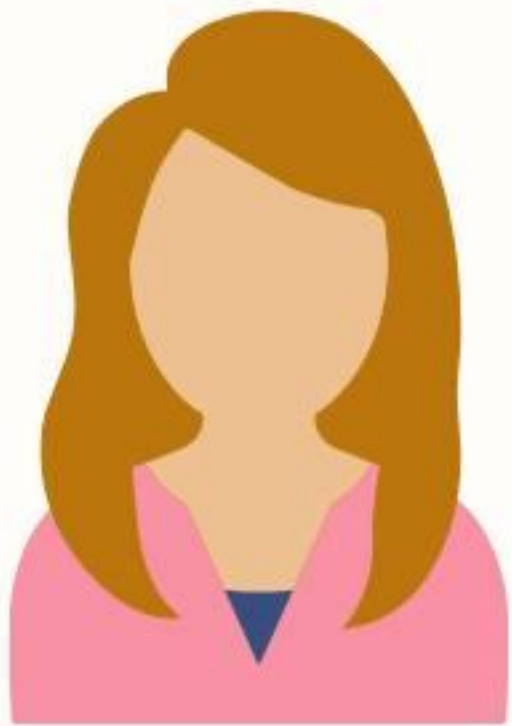

Chipotle Fundraiser

Bothell High School DECA recently hosted a successful community fundraiser at Chipotle for all-day on November 24th to raise funds for our chapter. The event helped foster community among our members and our collective effort made everyone feel fulfilled as we served a greater cause.

ALUMNI SUCCESS STORIES ('25)

Saanvi Subramanian

"I loved my experience with DECA! I'm now studying neuro-computational science at Caltech, and I am so grateful for DECA for helping me develop skills in public speaking and presenting!"

Dev Nair

"I remember getting ready for DECA competitions, and our chapter's energy was contagious. Whether it was my first or last time, I enjoyed preparing for my roleplays. The DECA atmosphere made it memorable for me!"

Pavan Anoop

"My favorite memory from Bothell DECA has to be ICDC. I had so much fun with my chapter in Orlando, and getting the opportunity to compete with international DECA students! I made a lot of new friends, too."

THANK YOU!
