COMPLETED PROJECT

The background of the slide is a deep space image featuring several spiral galaxies and nebulae in shades of blue, purple, and pink, set against a dark, star-filled sky.

PROJECT REFLECTION

**CHECK THE LINK ON
SCHOOLOGY**

The background of the image is a deep space scene. It features a dark blue and black void filled with numerous small, distant stars. Several large, vibrant galaxies are visible, showing swirling patterns of blue, purple, and white light. In the upper left and lower right corners, there are partial views of planets or moons, showing blue and white atmospheric layers. The overall effect is a sense of vastness and cosmic wonder.

PROJECT PRESENTATION

The background of the slide is a deep space scene. It features a dark blue and black void filled with numerous small, distant stars. Several large, vibrant galaxies are visible, showing swirling patterns of blue, purple, and white light. In the upper left and right corners, there are partial views of planets or moons, showing dark, cratered surfaces. The overall aesthetic is futuristic and expansive.

MARKETING FOR NEXT YEAR

PROJECT PRESENTATION

The background is a deep space scene featuring a dark blue and black void filled with numerous small white stars. Three prominent spiral galaxies are visible, each with vibrant blue and purple hues in their arms. The galaxies are positioned in the upper left, upper right, and lower right areas of the frame. Centered in the middle of the image is the text "THANK YOU" in a large, bold, white sans-serif font. The text has a subtle glow effect, making it stand out against the dark background.

THANK YOU
